A Cup of Warm Milk 2

by RainbowHeart18

Summary

Last time on the literary masterpiece on AO3 called "A Cup of Warm Milk", Tom was begging for Jerry to duck him and have a child with him(yes, for real). What will happen next? A part 2 to this story that probably will be used as proof that humanity is doomed. If the YouTube channel "Regretful Reads" is reading this, that means he has to read this now because he said he would. Unofficial sequel to that story on AO3.

"Fuck me Jerry, fill my slutty hole with your long thick cock and ruin it. Fill it with your seed and make me pregnant." Tom begs, his pants and shirt discarded as he kneels in front of Jerry, his nipples leaking milk.

Jerry's eyes widened with shock. "Y-You want me to what?!" Jerry said, shocked at what he had just heard.

"Fuck me, I want you to fuck me Jerry!" "Give me your child now!" Tom exclaimed, kneeling on the floor, milk still leaking from his nipples.

"Tom...this is crazy! "You want to have a child? This is a big commitment Tom, and with me of all people?! Why?!" Jerry asked, still bewildered and confused.

"Jerry please I have been feeling like having a child for so long, especially with these heat cycles I've been going through. I've been craving this for so long. I must bare a child." Tom pleaded.

Jerry didn't know how to respond. "I-um-I-uh...but why me? Why not with Toodles? Jerry questioned.

Tom sighed "You see Jerry Toodles and the other girl cats are hot and all but I don't really think she or any of them are the one now. At least not the one with the purple bow. The blonde kitty chick with the blue though? Totally wanna fuck her hard but I've been thinking and...the reason I've been playing with myself and milking myself, all while moaning your name... is because I've realized my true feelings for you!"

"WHAT?!" Jerry yelled in shock. Tom was his best friend and enemy at the same time. He knew of Tom doing sexual things and moaning his name while doing them, but it didn't really sink in his head that they could have a real relationship(probably because, you know, they've been fighting each other for years).

"R-Really Tom? You mean that?" said Jerry.

"Yes Jerry. Even though I've been to chasing and trying to kill you for years, I actually love you Jerry!" Tom confessed.

Jerry was looking at Tom in a whole new way. Jerry was thinking about getting something off his chest too. He wanted to confess deep feelings for Tom that were deep in his heart for so long. After a long pause, Jerry was finally able to confess his true, passionate feelings of love. "Bro same". said, Jerry.

"Now shall we start a family?" Tom said. Jerry was in a deep fought for a while, thinking about it.

After another while, he finally said "Sure why not? This story is getting too long anyway".

"Yes thank you, Jerry!"

"On one condition". Jerry said with a sly look on his face.

"What's that?" Tom said.

"I'll make your fuck fantasy come true if you make mine come true too".

"What do you mean?" Tom asked.

"First, rail me hard Tom, then I'll do whatever you want". said Jerry. It was Jerry's secret fantasy to be railed by Tom.

"Oh Ok then. Shall we start a family?"

"Yes." Tom was happy he finally agreed to this so. Tom pulled down his pants and whipped put his giant, thick cat-type-beast-whatever-he-is-in-this-story monster cock and Jerry positioned himself accordingly.

"You ready Cat?"

"You bet Mouse".Tom then violently trusted his big dick hard into Jerry's "mousehole".

"AACK!!!" Jerry yelled

"Are you Ok?" Tom asked. "Yeah, I'm fine keep going". Tom kept trusting himself in Jerry, who kept yelling out of pain, and pleasure. "Yes Tom, harder Tom, ~OOOH!~" Jerry moaned. " ~OHHH!~ HARDER TOMMY!" Jerry moaned with intense pleasure.

"Harder?" Tom said. Even though Tom was getting turned on and enjoying this, he didn't want to hurt Jerry too much(unless he wanted to).

"Cmon Thompson do it bitch!!"

"Alright, you slutty mouse". Tom proceeded to thirst harder into Jerry causing him to screech very loudly and "cream" all over the floor.

"Jerry! You could have woken people up you bitch!!!" Tom said angrily.

"Whatever Puss, if you want that child you better finish". "Don't talk so rude to your new husband because after this we are getting hitched".

"So what if I do? You didn't even propose to me yet dumbass!"said Jerry.

"I'll answer that question for you fucker!" Tom then proceeded to spank Jerry's ass.

"WHAT THE ACTUAL HELL TOM" Jerry yelled.

"Shut it bitch! 21, 22, 2-YEOWW!" Tom screamed because Jerry grabbed his tail and bit it. Tom leaped in the air and fell smack down to the floor. While Tom was busy coming to his senses, Jerry used this opportunity to do something. He quickly went and got something. It was Tom's owner's buttplug. While wearing a mischievous grin, Jerry tied it to the end a long stick and did a long throw towards Tom's ass. It went straight in Tom's ass.

"Yipe!..AAAAAAHHHHHHH!!!" Tom yelled his classic scream at the top of his lungs as soon as it struck. When he landed on the floor

again Jerry went and started spanking him
"I'm sending all deliveries in the rear Tom!" Tom started chasing him. Jerry tripped and Tom grabbed him.
Tom was pissed. "Wow Jerry you know maybe we should cancel this whole thing if you're going be such a little shit!"
"No no no no no! let's definitely continue with this. I hadn't had this much fun in bed in months!" Jerry said.
"This doesn't even make sense" Tom said. But whatever I wanted this". While Tom and Jerry were finished fucking/railing each other and absolutely destroying Jerry's ass it was (unfortunately for the readers) finally time. Time for Tom and Jerry to...mate.

"Are you ready Tom?" Jerry said

Tom took a deep breath. "Yes." said Tom. Tom was finally ready. Jerry then proceeded to stick his thick mouse-human-whatever-the-fuck dick in Tom's(wait didn't Tom have also have a dick? Is he a hermaphrodite? I don't even know anymore.) private area. Tom blushed and got aroused. His breasts got hard and swole. "You can drink more of my milk when you're done Jerry".

"Hell yeah" said Jerry. The mating then proceeded to happen, with Tom and Jerry all wet moaning and screaming with arousal. He definitely was "ruining" Tom's hole, just like the cat wanted. It was so hot that Tom couldn't contain himself. Thick milk started to burst from his swollen breasts, pouring all over Jerry.

"Ah fuck!"

"No Tom it's okay, give me more I crave your creamy milk from your fat tits". said Jerry, who was drinking Tom's creamy milk all over them with pleasure. "So creamy, so warm, so sweet...so delicious, " Jerry said flirtatiously while licking Tom and sucking his nipples, the fresh cream overflowing to his mouth. "Such a fresh taste too." Arousing sensations went all over Tom's body, as Jerry kept lustfully pleasing him. They were having the time of their lives doing this fuckfest.

"The only thing that would make this better is if we were having a three-way with Toodles, or Toots, or the other Toots, or whatever sexy love interest I've wanted to fuck in the past" thought Tom.
While they were still banging, someone outside approached the house. "Damn Tommy-boy, what the hell is all this screaming and yelling about?! I'm trying to nap here!". It was Butch, an alley cat that was Tom's friend/rival. Butch was napping near the house outside, but Tom and Jerry were so loud that nearly the whole neighborhood could have heard them.
Butch angerily looked in the window that Tom and Jerry forgot to close and saw the horrific sinful actions. He rubbed his eyes to check if what he saw was real. It was. "AAAAAAHHHHHH!!!" Butch

screamed in horror. He then proceeded to hit himself on the head repeatedly with a brick. However Tom and Jerry were busy doing their sexy time and they didn't notice that.
Tom and Jerry we're still fucking. All was great for the cat and mouse couple until they heard a scream that wasn't theirs (not Butch's) inside their house. At that time, unknown to them, certain others that Tom didn't want to see accidentally walked in on them. "Ah Shit!" thought Tom. To be Continued???(If anyone wants it.)
